Customer Reviews

I liked that the book had a lot of my favorite songs like "The Blue Danube", "Dance of the Flowers". "Für Elise", "Greensleeves", "Jesu, Joy of Man Desiring" and my #1 most favorite, "Canon in D"...if you can read music or are just learning, this book is simplified enough, all short versions of songs, even has the "Bridal Chorus", "1812 Overture", "Lullaby" as well as a few others...this is a very good book for beginner aspiring pianists...

Too easy - not enough chords, good for kids

Great for kids on the beginner level who have an interest in classical. My son dived right into this on his own.
