Fundamentals Of Pre-Trial Litigation, 4th Edition

Synopsis

Enables students to develop and refine litigation by analyzing problems, planning a case, conducting an investigation, drafting pleadings, engaging in discovery, presenting motions, and resolving a dispute. There are two types of problems: Short, self-contained problems at the end of each chapter, and case files of various lengths at the end of the book. Forms, examples, sample pleadings, discovery documents, and motions are included throughout. Contains cross-references to sources of more complete and detailed information. Incorporates analysis of the 2000 Amendments to the Federal Rules of Civil Procedure, and clear and detailed explanations of how the rules work. --This text refers to an out of print or unavailable edition of this title.

Book Information

Hardcover: 782 pages

Publisher: West Group; 4th edition (December 1999)

Customer Reviews

This is a must-have for anyone new to litigation. It is laid out in a useful way and doesn't mince words, but throws in some humor to keep a dry subject light.
