Collected Poems (Macmillan Collector's Library Book 15)

Synopsis

As well as being one of the major literary figures of the twentieth century and the recipient of the 1923 Nobel Prize for Literature, William Butler Yeats (1865-1939) is the greatest lyric poet that Ireland has produced. His early work includes the beguiling 'When You are Old', 'The Cloths of Heaven' and 'The Lake Isle of Innisfree' but, unusually for a poet, Yeats's later works, including 'Parnell's Funeral', surpass even those of his youth. All are present in this volume, which reproduces the 1933 edition of W. B. Yeats's Collected Poems and also contains an illuminating introduction by author and academic Dr Robert Mighall. Designed to appeal to the booklover, the Macmillan Collector's Library is a series of beautiful gift editions of much loved classic titles. Macmillan Collector's Library are books to love and treasure.

Book Information

File Size: 1559 KB

Print Length: 480 pages

Publisher: Macmillan Collector's Library; New Edition edition (July 14, 2016)

Publication Date: July 14, 2016

Sold by: Digital Services LLC

Language: English

ASIN: B019EBZBLS

Customer Reviews

This review refers to Finneran's Revised Second Edition (paperback) 8x5x1.25 inches in size. Much mention made here of the quality of the paper upon which these priceless and comprehensive poems are here printed. This is a reader's copy, something to carry and to read. It is not furnishings for your room. It is not furniture. It is not personal adornment. This is the book of Life, to be opened,

to be read. Yes your reading may take its toll upon the vulnerable, gentle binding. Yes, your reading may find one day pages browning, of the old paperstock similar to old paperback books. But this book is to be read, not closed and saved and never seen. Read this book. If you wish a book for adornment more than for reading, a book which may also withstand intensive reading over a lifetime, please go for the more costly *The Collected Works of W.B. Yeats Volume I The Poems*. You will still use this humble, serviceable paperback book for your daily reading of Yeats, your nightly study of his lyric and lore. This is the book you may write in with joy and no regrets. It even has extra sheets for such a notation, and generous margins for your personal annotation and other marginalia, the ennegrams which arise upon dreaming with Yeats. I can add nothing to what has already been said regarding the need within the human soul to read Yeats, to know Yeats, to love Yeats, to feel Yeats nearby throughout our long, lonely pilgrimage here. I can only defend this particular copy of Mr. Yeat's complete selection of his poetry for his official and authorized canon.
