Customer Reviews

Good score for the price, although I wouldn't mind a better quality cover and bigger letters for the text. I understand that Ricordi want to release an affordable vocal score accessible for all but still I think could be a little better, particularly with the size of the words printed! Thank you!

A great critical edition and piano reduction of this opera. Text in Italian and English. A good 1/8th of the score is critical commentary and other introductory material. The reduction itself is fantastic and could not be improved upon much (if at all).

I have been purchasing the Ricordi scores for several of the operas. They are always in great shape. They are easy to read. The printing is just beautiful.

This is a nice copy. Many markings for a singer to follow that are consistent with the original score. Came really fast and good service.

Lots of pages of editorial info at the beginning, but a clear, well-bound edition with Italian and

English text.
