It's a civ pro booklet. You can get it online. Fast shipment though. Otherwise this is a 3-star. It all depends. Isn't that the answer to all legal questions? I think that's all that needs to be said.

Good. All information organized. U can google all the information in this book but it was nice to actually have a copy of it. I used this book for Legal Studies Investigation course online.

Very useful for my paralegal course. I know the Rules can be found online, but the book was much easier for me to use.

Nice product!

Easy to use!
