Customer Reviews

If you don't read Spanish then consider this book just a picture book. It would be nice if somewhere it had been mentioned that this book is NOT IN ENGLISH. The pictures are OK.

I am Mexican, lived in Mexico until I was 9 years old and have now been in the U.S. for 17 years. This book immediately transported me back to Mexico. It reminded me of the beautiful homes I grew up seeing. In addition to exterior architecture, the book includes images of bedrooms, bathrooms, kitchens,... it almost felt like I was invading the homeowners' privacy. I can't wait to visit Mexico soon to purchase similar objects to create my own Casa Mexicana here in the Midwest.

Nowhere in information about this book does it mention that it is in Spanish.

It a great book! thanks!
