Got it for my dad for his birthday. His first comment was that he didn't need it since he had watched every episode. But he started reading it, chuckling every few minutes. His friend came over and they both poured over the book. The discussions of "remember when" passed back and forth. Suddenly I heard, "I didn't know that!" I looked at the book later and liked the behind the scenes information.

Return to Mayberry with Andy, Opie, Barney, Aunt Bee, and the rest of the folks from "The Andy Griffith Show." Filled with behind-the-scenes information about one of TV's classic comedies, Inside Mayberry features down-home stories from Don Knotts, George Lindsey, Aneta Corsaut, Jack Dodson, executive producer Sheldon Leonard and others. Fondly look back on Andy and Barney's visits on the front porch, Mayberry's first shootout, and the first recorded "Nip it in the bud!" Also included are a Mayberry trivia game, a complete episode guide, Fife's unabridged dictionary, never-before-seen photos from the stars' private collections, and fond recollections from celebrity fans of "The Andy Griffith Show."--- from book's back cover

If Don Knotts is your hero or you like the idea of a soothing hometown where everyone is friends in a time that never existed- this book is pretty complete in outlining a tv show about that very thing.

Good for fans and for people coming to the show for the first time.

Many books have been written about the show, but this book not only describes the show itself, but a lot of the behind the scenes and backgrounds in regard to the characters. Great book !

I have read 3 books on TAGS, and "Inside Mayberry" is my favorite. A very easy & fun read. You won't be dissapointed.

A LOT OF INFORMATION ABOUT THE SHOW AND HOW IT WAS MADE. GREAT BUY FOR THE MONEY.

If you are a fan of all the people of Mayberry you will like this book for sure.
